

V. EMPLOYMENT REGISTRATION

Version 1

(5th October 2015)

V. Employment Registration

The Investor which obtained the Investment Permit issued by the Thilawa Special Economic Zone Management Committee may employ foreign / local employees (citizens of Myanmar) working in the Thilawa Special Economic Zone. At the same time, each Investor is required to submit a list of employees with the Form of **Recruitment Status**, which is provided in Notice No.02/2015 of Thilawa Special Economic Zone Management Committee dated 8 July 2015, and with the standard Employment Contract it uses, to the TSMC in monthly basis.

As for the employment registration for foreign employees, the Investor shall apply for the **Foreign Worker Employment Registration** of their foreign employees to the Labor Section of OSSC through the Front Office of OSSC. The Labor Section of OSSC issues **the Foreign Worker Employment Registration Card** after reviewing the submitted documents while referring the recruitment status which were submitted by the Investor to the TSMC in advance. As for the employment registration for local employees, the Investor shall apply for the **Local Worker Employment Registration** of their local employees to the Labor Section of OSSC through the Front office of OSSC. The Labor Section of OSSC issues the **Local Recruitment Card** after reviewing the submitted documents while referring the recruitment status which were submitted by the Investor to the TSMC in advance.

While the Investor may recruit local employees freely through such as local labor recruitment agents, the Work and Labor Recruitment Office planned to be built in the Thilawa Special Economic Zone in future, or by his own arraignment, each Investor shall comply with following regulations related to employment of local employees.

1. The employment agreement shall be signed by the employer (the Investor) and employees and shall be employed in accordance with the existing Labor Laws and Rules.
2. The Investor shall arrange the training for the improvement of the skill of the local employees.
3. The Investor shall employ only the citizens of Myanmar in the work where high technology and skill are not required.
4. The Investor shall, in employing Myanmar citizen skilled workers, technicians and staff who are required of high technology and skills, have appointed the Myanmar citizens at least 25 % the first two years from the commencing year of operation, at least 50% in the second two years, at least 75 % in the third two years.

In addition, the Investors may receive various kinds of consultation services such as report of employment, social security and labor dispute from the Labor Section of OSSC.
